

Daylesford & Trentham

Today we make our way to the beautiful town of Daylesford via Trentham. Trentham is a small historic town on the edge of Wombat Forest. Sit back and take in the beautiful sites of natural bushland with a morning tea stop at the picturesque Quarry Street Reserve and lake. We then head to the township of Daylesford, this region contains Australia's largest concentration of natural mineral springs in the country. During Daylesford's formative goldrush there were many Italians and Swiss living there and their influence on the gardens and architecture has been profound; bestowing upon the town a European feel.

Then we take a trip down memory lane and find a bargain at the **Mill Market**. The market has one of the largest collections of antiques, memorabilia, retro fashion and collectables.

And when you are all shopped out, enjoy a delicious 2 course lunch at the Daylesford Bowling club. Then board the coach for a relaxing journey home.
