

Tour of Geelong and Gateway Hotel

Board your luxury coach and head down to the beautiful city of Geelong. Since the first arrival of settlers on the Lady Nelson in 1802 Geelong has documented a broad history. For a long time considered an industrial city with such commercial giants as the Ford motor company and the Shell refinery, today Geelong is a proud and diversified city boasting significant coastal attractions, varied businesses and a number of successful sporting clubs. Geelong's streets have an extensive range of historic and heritage recognised buildings. Much of the architecture of the buildings can be attributed to Australia's colonial pioneers who helped build Geelong into a thriving city. You will experience the history of this cosmopolitan city during a guided tour (on coach). Following the tour you will enjoy lunch at the Gateway Hotel. After lunch you will board the coach for a relaxing journey back home.
