

# Maldon

Travel to the township of Maldon which is located in a historical gold mining region between Castlemaine and Bendigo, stopping along the way for morning tea. Maldon has been perfectly preserved since its mining days and is Australia's First Notable Town - classified by the National Trust in 1966. The township was established after gold was found in 1853 at the foot of Mount Tararengower. Take a fully guided coach tour and see impressive historic buildings including the railway station (1884), the Grand Hotel (1888), the old post office (1870) and a number of churches. Many of the commercial buildings located along Maldon's streets have been converted into cafes, galleries and antiques shops. After your guided tour settle down for a delicious 2 course lunch at a local hotel. Then its all aboard as you finish your day with a one way train ride from Maldon to Castlemaine and through Muckleford station where your coach will be awaiting your arrival to start your relaxing journey home.
