

Warrook Homestead

Today travel via Tooradin and visit Warrook Homestead and Working Farm and experience life on a real working farm. This farm is operated by some amazing young ladies. Warrook Cattle Farm is renowned as a premier working farm to which visits can be made. When we arrive at the farm you will be given a guided tour around Warrook Homestead where you can experience farm life first hand. You will be introduced to animals that live on the farm. Followed by a sheep shearing display, working dogs displayed as they round up some sheep and a whip cracking exhibition. If you feel brave enough one of the ladies will teach you how to crack the whip.
